THE GRADUATE SCHOOL

Application for Graduate Admission
Supplementary Application – Physics (PHYS)

Please complete this form and upload it to the *Uploads Requirement*s section (*Supplementary Application*) of the online application.

Last Name Cross First Name Isaac Middle Name Kenneth

Institution from which you will receive, or have received, your Undergraduate Degree: Northwestern University

Date of Undergraduate Degree: June 2026

Undergraduate Coursework:

Please fill in this table to give us a summary of your undergraduate-level physics coursework, other than general introductory physics survey courses. Include courses you have taken, are currently taking, or plan to take before graduating. Common undergraduate courses are listed, but you may not have taken ALL of these.

	Term taken (or taking)	Course Number	Grade earned	Textbook Author
Intro to Modern Physics	Spring 2023	Physics 125-3	A	Tipler & Mosca
Math Methods for Physics				
Computational Physics				
Intermediate Laboratory				
Advanced Laboratory	Winter 2025	Physics 360-0	A	Bevington & Robinson
Classical Mechanics	Fall 2023 Winter 2024	Physics 330-1/2	A/A	Taylor, John R.
Electromagnetism	Spring, Fall 2024	Physics 333-1/2	A/A	Griffiths, David J.
Quantum Mechanics I	Winter 2024	Physics 339-1	A-	Townsend, John S.
Quantum Mechanics II	Spring 2024	Physics 339-2	A	Townsend, John S.
Statistical / Thermal Physics	Spring 2024	Physics 332-0	A	Gould & Tobochnik
Solid State / Condensed Matter				
Nuclear / Particle Physics	Fall 2024	Physics 339-3	A	Thomson, Mark
Optics Laboratory	Fall 2024	Physics 357-0	A	Bevington & Robinson
Astrophysics	Spring 2025	Astron 331-0	A	Owocki, Stan

Graduate Coursework, if any:

This section will be relevant for some students.

Institutions at which you have done physics graduate-level coursework (including graduate-level coursework done while an undergraduate student):

Northwestern University

	Term taken (or taking)	Course Number	Grade earned	Textbook Author
Grad. Classical Mechanics				
Electrodynamics				
Mathematical Methods				
Quantum Mechanics I				
Quantum Mechanics II				
Advanced Quantum Physics				
Statistical / Thermodynamics				
Relativity				
Avdanced Topics AMO	Fall 2025	Physics 480-0	A	Gabrielse, Gerald (Notes)
Avdanced Topics AMO	Winter 2026	Physics 480-0		Kovachy, Tim (Notes)
Quantum Electronics	Spring 2025	LEC ENG 414-(	A	Shahriar, Selim (Notes)

Instructions for Statement of Purpose

In your Statement of Purpose (to be uploaded as a document in the *Upload Requirements* section of the online application), we would like to learn about your motivation for graduate study in Physics as well as any significant life experiences which have shaped your interests, your determination, or your understanding of your capabilities. Please also describe any research and/or work experiences you have had, summarizing what you attempted, accomplished, and/or learned. Finally, we would be interested to know if there are specific research areas or groups in our department which interest you as a possible focus for your graduate research.
